Clerk of the Circuit Court
Nassau County

Honorable Marianne Marshall, Chairman
Nassau County Board of County Commissioners

RE: Appeal by Amelia Development, LLC

Dear Chairman Marshall and Board Members:

After reviewing the verbatim minutes of the BOCC meeting dated July 9, 2008 and the article in My Nassau Sun, I remain committed to the assertions of my letter to you dated July 16, 2008.

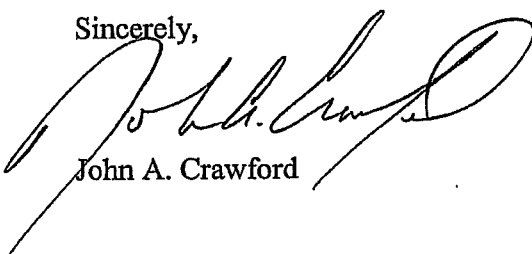

I maintain that the above-referenced appeal does not comply with the ordinance for the following reasons:

1. It was not timely filed within the 30 days required by the ordinance;
2. It was not filed on the correct forms; and
3. The appropriate fee was not paid in a timely manner.

I further assert that no other county agency or office may accept such applications on behalf of the Clerk's Office without the express written consent of the Clerk.

It is my recommendation that the Board invalidate this appeal which my office filed in error, based upon the request of the County Attorney, and that the \$200.00 fee be refunded to the applicant.

Sincerely,

John A. Crawford
