

IN THE CIRCUIT COURT, FOURTH
JUDICIAL CIRCUIT, IN AND FOR
NASSAU COUNTY, FLORIDA

CASE NO.:

DIVISION:

Petitioner (Mother or Father),
and

Respondent (Mother or Father).

ORDER FOR SUPERVISED VISITATION AT FAMILY NURTURING CENTER

PURSUANT TO FLORIDA STATUTES, the Court hereby orders as follows:

1. Both parties are ordered to comply with this Court Order. The policies and procedures of the Family Nurturing Center are hereby incorporated by reference into this Order and the parties are ordered to comply with all policies and procedures of the program. The parties shall contact the program at 904.389.4244 ext 101 to schedule an orientation. The Nassau County location can be reached at 904-662-4638 just prior to or during a visitation session. No visitation will occur until **BOTH** parties have completed an orientation. This order will be automatically rescinded 30 days after its issue date if it is not acted upon by the visiting party.

(Name) _____ is hereby ordered to use the Visitation Program to have contact with the following minor child(ren):

- a. _____ d/o/b: _____
- b. _____ d/o/b: _____
- c. _____ d/o/b: _____
- d. _____ d/o/b: _____

2. The program may decline to accept a case, and may suspend or terminate an open case, for the following reasons: The case will place or places an undue demand on the program's resources; one or both of the clients have failed to comply with the visitation agreement, the directives of the visit supervisor, or the Court's Order; and/or safety issues cannot be effectively addressed by the program.

3. Additional Visitors (**check one**):

_____ Visitation is strictly limited to the minor child(ren) and the visiting parent.

_____ If, but only if, the Family Nurturing Center consents, the visitor may allow additional relatives to participate in the visits, **EXCEPT** that the visitor shall not permit _____ to participate in visits. In determining whether it can accommodate a parent's relatives at a visit, the Family Nurturing Center must necessarily consider whether safety, space, and related considerations reasonably permit the participation of such relatives. All visitors are subject to the program policies and procedures, and the program may restrict the number of visitors in accordance with their policies and procedures.

4. Frequency of visits: Visits shall be held _____ time(s) per week, or as described below:

When the program is not available to accommodate specific dates or times, parties shall make all reasonable efforts to accommodate alternate dates and times.

5. Level of Supervision: FNC uses a group supervision model, meaning that a staff person may monitor multiple families at the same time. FNC reserves the right to increase the supervision level as staffing allows.

6. Other special instructions or conditions (provisions making visitation contingent on treatment or counseling, etc.):

7. The costs of the program as of September 1, 2018 are as follows: \$40.00 per orientation and \$75.00 per visit. The program may from time to time adjust the fees for services. Each party is responsible for their own orientation fee unless stipulated below. Additional fees for program violations or special services (i.e. document requests) are not subject to the following cost allocation. The costs of the visitation will be allocated as follows:

Percentage of visitation fee to Mother: _____ %

Percentage of visitation fee to Father: _____ %

Other special cost allocation arrangements: _____

Failure to pay may result in the Court issuing a judgment against the responsible party, suspension of visitation or such other sanctions as may be appropriate, including Contempt of Court.

8. This case shall be reviewed upon motion of either party. If supervised timesharing has been ordered on a "permanent" basis by an original judgment or a modification judgment, then a parent who wishes to terminate the supervision requirement must file a supplemental petition to modify that requirement in the existing judgment. If, however, supervised timesharing has been ordered on a temporary basis and there is an unresolved original petition or an unresolved modification petition pending before the Court, then a parent who wishes to terminate the temporary supervision requirement must file a motion to modify or terminate the supervision requirement.

9. The visiting parent shall not remove the child(ren) from the premises of the supervised visitation program without the court/program's authorization. Should the parent (or another person acting on his behalf) do so, law enforcement authorities including, but not limited to the Jacksonville Sheriff's Office, are hereby directed and authorized to use all reasonable means necessary to return the child(ren) to the other parent named in this order.

10. Reports to the Court: The Family Nurturing Center shall submit reports to the Court as requested. Written notification may be provided to the Court if any case is declined, suspended, or terminated. Parties may request or subpoena records from the Family Nurturing Center in accordance with the programs policies, procedures, and fees.
